Monthly Prize Draw: Notes for Participants

- The VCH Derbyshire Monthly Prize Draw has been established to raise funds to support work on the Victoria County History in Derbyshire. Apart from administrative expenses, which are kept to a minimum, and a monthly cash prize, all stake money paid to the Derbyshire VCH Trust will be applied to this purpose and to no other.
- The Monthly Prize Draw is a Private Lottery as defined by section 4 of the Lotteries and Amusements Act 1976. Participation is therefore confined to members of a single organisation, namely the Derbyshire VCH Trust.
- Each stake in the Prize Draw costs £5 per month. Participants may have as many stakes as they wish. No limit has been set on the total number of stakes to be included in the Prize Draw.
- Each stake is allocated a Prize Draw number. All the numbers will be entered in a monthly draw and the winning number will be identified using a random number generator provided by www.random.org. The winner will receive a payment of £100.
